Subpart 5462—Contract and Permit Requirements

§ 5462.1 Contract and permit compliance.

(a) The following minimum requirements shall be met in order to assure contract or permit compliance:

(1) Contracts or permits shall be executed by authorized purchasers or their formally designated representatives.

(2) For other than lump sum sales, only the specific timber or other vegetative resource designated for removal, in their respective quantities, shall be removed.

(3) Timber or other vegetative resources shall be removed only from designated locations or areas.

(4) Transportation of timber or other vegetative resources shall be in accordance with contract or permit requirements and shall include appropriate load or product tagging if required.

(5) Contract or permit stipulations and specification shall be adhered to.

(6) Payments shall be made in accordance with subpart 5461 of this title.

(b) All contract and permit provisions and special provisions shall be adhered to unless the contract is modified in accordance with part 5470 of this title.

(c)(1) The authorized officer may cancel a contract or permit upon determining that the holder has failed to comply with a law or regulation pertinent to the contract or permit. The authorized officer may also cancel a contract or permit upon determining that the holder has failed to comply with a stipulation or requirement contained in the contract or permit and the non-compliance is detrimental to the public interest. Individual contracts or permits may contain specific language defining the remedies or penalties associated with noncompliance.

(2) Cancellation shall be mandatory in cases of intentional falsification of

§ 5462.2 Prohibited acts.

(a) The acts or omissions listed in paragraph (b) of this section apply only to BLM-administered lands and will render the person(s) responsible liable to the United States in a civil action for trespass, and such person(s) may be prosecuted criminally. If the authorized officer determines such acts or omissions to be detrimental to the public interest, the timber sale contract or permit held by the purchaser responsible for such acts or omissions may be canceled.

(b) The following activities are prohibited:

(1) Cutting, removing, or otherwise damaging any timber, tree, or other vegetative resource, except as authorized by a forest product sale contract, permit, or Federal law or regulation.

(2) Cutting any standing tree, under a permit or timber sale contract, before a BLM employee has marked it or has otherwise designated it for cutting.

(3) Removing any timber or other vegetative resource cut under a permit or timber sale contract, except to a place designated for scaling or measurement, or removing it from that place before it is scaled, measured, counted, or otherwise accounted for by a BLM employee.

(4) Stamping, marking with paint, tagging, or otherwise identifying any tree or other vegetative resources on BLM-administered lands in a manner similar to that employed by BLM employees to mark or designate a tree or other vegetative resources for cutting, removal, or transportation.

(5) Transporting timber or other vegetative resources without a valid haul ticket that pertains to the material in question, except as authorized by Federal law or regulation.

(6) Except as authorized by Federal law or regulation, purchasers or their designated representatives, while engaging in any activity connected with the harvest or removal of forest products, failing to have in their possession and/or failing to produce any required permit or forest product sale contract

for inspection upon demand by a BLM employee or any official of a cooperating law enforcement agency acting within his or her designated authority as a sale inspector, administrator, contracting officer, or law enforcement officer.

(7) Violating any State or local laws and ordinances relating to local permits, tagging, and transportation of timber, trees, or other vegetative resources.

(8) Violating any of the provisions regulating export and substitution contained in subparts 5400, 5403, and 5420 of this title.

(9) Obtaining any forest product sale contract or permit or taking any timber, trees, or other vegetative resources through falsifying, concealing, or covering up by any trick, scheme, or device a material fact, or making any false, fictitious, or fraudulent statement or representation, or making or using a false, fictitious, or fraudulent statement or entry, including altering any forest product sales contract or permit or using an unauthorized reproduction of any official load tag.

(10) Negligent or intentional destruction of or injury to any timber or other vegetative resource during operations under a forest product sale contract or permit.

Subpart 5473—Extension of Time for Cutting and Removal

§ 5473.1 Application.

In order to be considered, written requests for extension shall be delivered to the appropriate BLM office prior to the expiration of the time for cutting and removal.

[57 FR 37477, Aug. 19, 1992]

§ 5473.4 Approval of request.

(a) If the purchaser shows that his delay in cutting or removal was due to causes beyond his control and without his fault or negligence, the contracting officer may grant an extension of time, upon written request by the purchaser. Such extension will not exceed one year, and will require an appraisal, if the delay was not imposed by the United States or any State government agency as provided by paragraph (c) of this section. Market fluctuations are not cause for consideration of contract

extensions. Additional extensions may be granted upon written request by the purchaser.

(b) Notwithstanding the provisions of paragraph (a) of this section requiring reappraisal if the delay was not imposed by the United States or any State government under paragraph (c) of this section, the contracting officer may grant an extension of time, without reappraisal, not to exceed enough time to provide 30 days of operating time, if the delay was due to causes beyond the purchaser's control and without his fault or negligence. No additional extensions may be granted without reappraisal under the provisions of this paragraph.

(c) On a showing that the purchaser performed as the average prudent operator would be expected to perform in a like time period prior to any delaying event listed in this paragraph, the contracting officer may grant, without reappraisal, an extension of time not to exceed that necessary to provide an additional amount of operating time equal to operating time lost as a result of:

(1) Additional contract requirements incorporated in contract modifications requested by the Government;

(2) Delays necessitated by the requirements for consultation with the U.S. Fish and Wildlife Service under the Endangered Species Act;

(3) Reviews for cultural resource values;

(4) Court injunctions obtained by parties outside the contract; or

(5) Closure of operations by State fire protection agencies due to fire danger.

(d) Upon written request of the purchaser, the State Director may extend a contract to harvest green timber to allow that purchaser to harvest as salvage from Federal lands timber that has been damaged by fire or other natural or man-made disaster. The duration of the extension shall not exceed the time necessary to meet the salvage objectives. The State Director may also waive reappraisal for such extension.

§ 5473.4-1 Reappraisal.

(a) If an extension is granted under § 5473.4(a), reappraisal by the contracting officer of the material sold will be in accordance with this section.

(b) For a cruise sale the timber sold remaining on the contract area shall be reappraised for the purpose of computing the reappraised total purchase price. The reappraised total purchase price shall not be less than the total purchase price established by the contract or last extension. The authorized officer may require that the reappraised total purchase price shall be paid in advance as a condition of granting an extension.

(c) For a scale sale each species of timber remaining on the contract area shall be reappraised. The reappraised unit price for each species shall be effective for the remaining life of the contract: *Provided, however,* The reappraised unit price for each species shall not be less than the unit price established by the contract or previous extension.

Subpart 5474—Contract Assignment

§ 5474.1 Conditions; general.

(a) The purchaser may not assign the contract or any interest therein without the written approval of the authorized officer. An assignment shall contain all the terms and conditions agreed upon by the parties thereto.

(b) The authorized officer will not approve any proposed assignment involving contract performance unless the assignee (1) is authorized to transact business in the State in which the timber or other vegetative resource is located; (2) submits such information as is necessary to assure the authorized officer of his ability to fulfill the contract; and (3) furnishes a performance bond as required by subpart 5451 of this chapter or obtains a commitment from the previous surety to be bound by the assignment when approved. Upon approval of an assignment by the authorized officer, the assignee shall be entitled to all the rights and subject to all
